Logo Mat Ordering Instructions

1. Simply email your artwork to info@packerland.net
 - Submit the best quality jpeg, gif, bmp or tiff possible. We can work wonders with converting “garbage” but there is a limit to everything. Typically, 30k web graphics will not work. No artwork? Packerland will produce simple designs per your request. Just give us ideas via email.
 - Specify the background and logo color choices from the “ClassicImpressions color swatch” .pdf located above the link for this document.
 - Specify the size of the mats you desire.
2. Within 3-4 business days, Packerland will email you a FREE proof for your approval. We will use our discretion to produce the best mat possible for you. In some cases, elements of your design will be altered to meet production requirements.
3. If you like what you see on your proof, Packerland will forward further instructions on how to order your custom logo mat through our secure shopping cart. Your mats will be delivered to your door in 7-10 business days.

How much easier can it be? What are you waiting for?

4. We'll do our best to produce the absolute best mat possible, but we do reserve the right to refuse production if inadequate artwork is provided.
5. Due to the custom nature of this product, custom logo mats cannot be returned except in cases of manufacturing defects. Packerland must authorize returns.
