## **FEATURES & BENEFITS**

**100%**  
customer satisfaction  
GUARANTEED

- Durable, colorfast nylon face is suitable for indoor or outdoor use and is not adversely effected by salt or ice melt. (A)
- Face NUBS are reinforced with rubber to resist crushing, maintaining high performance and extending product life. Raised NUBS remove and trap dirt and moisture holding it below shoe level so it is not tracked in. (B)
- CarpetCleat backing minimizes movement on most carpets and improves traction on hard surfaces. (C)
- Fabric covered borders for the ultimate in fashion. The "Water Dam" border is designed to hold water and dirt on the mat, keeping it off carpets and floors. (D)
- Certified Slip Resistant by the National Floor Safety Institute.
- Numerous sizes ranging from 2'x3' to 6'x60'.
- No setup charges! Fast service! Orders ship on an average of 7 working days from time of final approval.
